

**JESÚS HURTADO**  
Former Chair, Science, Innovation and  
Technology Commission  
Congress of the Republic of Peru

# Enabling science through parliamentary governance experience in Peru

7th World Science Forum, 2015  
Budapest, 4-7 November 2015

Perú

**Congressman Jesús Hurtado**

*Former Chair, Science, Innovation and Technology Commission*

**2 million hectares of the Andes lie waste,  
crushed by frost and deforestation.**

Perú

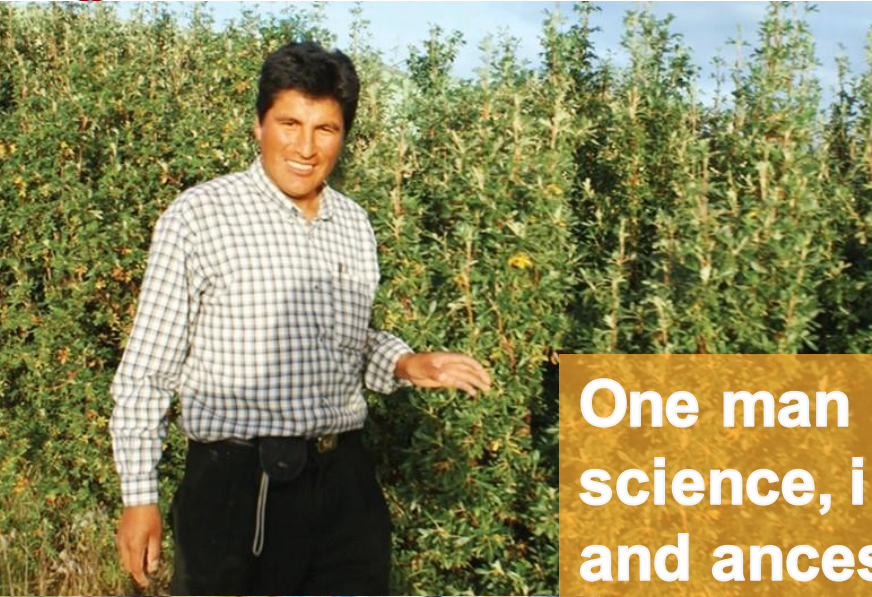

Congressman Jesús Hurtado

*Former Chair, Science, Innovation and Technology Commission*

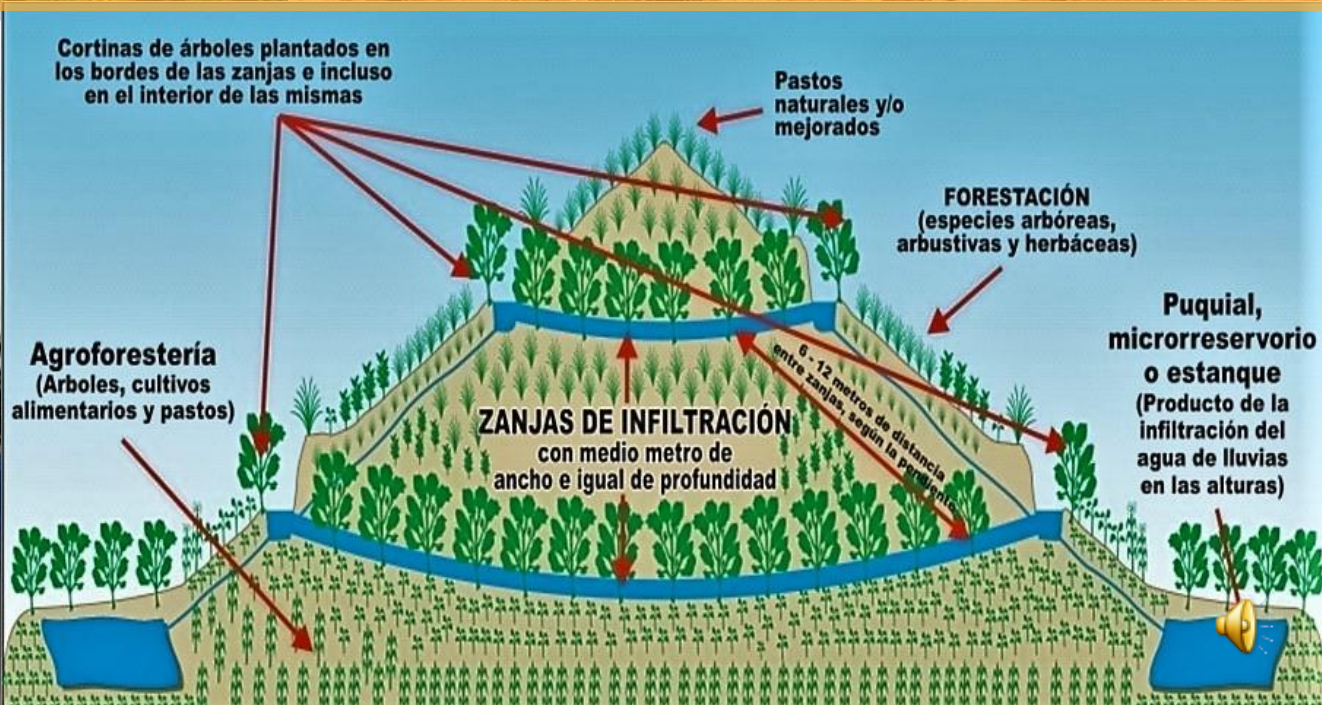

**Is change possible? Masajcancha became and oasis in the Andes. It is possible in Peru. It is possible around the world.**

One man launched this change using science, innovation, modern technology, and ancestral Andean knowledge

Perú

**Congressman Jesús Hurtado**

*Former Chair, Science, Innovation and Technology Commission*

**Science, innovation, and technology can change our communities, our countries, and our world, but require leadership.**

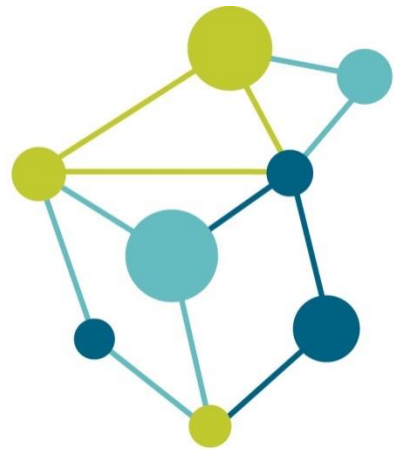

Perú

Congressman Jesús Hurtado

Former Chair, Science, Innovation and Technology Commission

# CONCYTEC

CONSEJO NACIONAL DE CIENCIA,  
TECNOLOGÍA E INNOVACIÓN TECNOLÓGICA

**In the Legislative Branch, we empower leadership by the body that promotes science, innovation, and technology.**

Private sector /  
Community

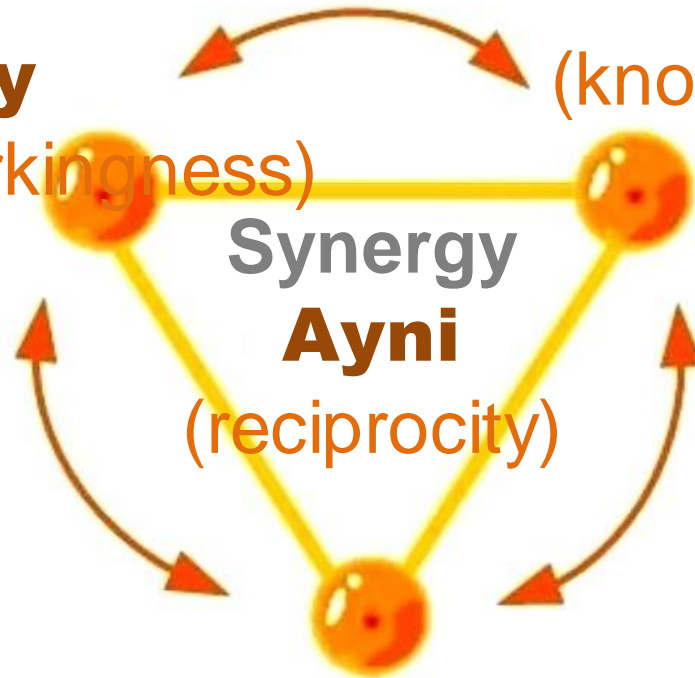

**Llankay**

(hardworkingness)

Academia

**Yachay**

(knowledge)

Synergy

**Ayni**

(reciprocity)

State

**Munay**

(will and  
decisiveness)

The myth of Quero tells how the Creator (Taytanchis) asked his three sons to show ayni (reciprocity) with their inheritances.

Perú

**Congressman Jesús Hurtado**

*Former Chair, Science, Innovation and Technology Commission*
