The process

Option 1:

1. The purpose of this Agreement is [to [enhance the implementation of the Convention and] to achieve [its]

a. hold the increase in the global average temperature [below 2 °C][below 1.5 °C][well below 2°C][below 2 °C or 1.5 °C] [below 1.5 °C or 2 °C][as far below 2°C as possible] above pre-industrial levels by ensuring deep cuts in global greenhouse gas [net] emissions.

b. pursue a transformation towards sustainable development, to foster societies that are resilient to

climate change and economies that are low in greenhouse gas emissions and to ensure that food

production and distribution are not threatened.

c. increase their ability to adapt to the adverse impacts of climate change [and to effectively

respond to the impacts of the implementation of response measures and loss and damage.]

2. [This Agreement shall be implemented on the basis of equity and science, in [full] accordance with the principles of equity and common but differentiated responsibilities and respective capabilities[, in light of national circumstances] [the principles and provisions of the Convention], while ensuring the integrity and resilience of natural ecosystems, [the integrity of Mother Earth, protection of health, a just transition of the workforce and creation of decent work and quality jobs in accordance with nationally defined development priorities] and the respect, protection, promotion and fulfillment of human rights for all, including the right to health and sustainable development, [including the right of people under occupation] and to ensure gender equality and the full and equal participation of women, [and intergenerational equity].]

Nothing could possibly go wrong...could it?
